

# Excellent Learning Behaviours Programme

Venue: Cardinal Hume Catholic School

Don't miss a fantastic CPD opportunity this summer term at Cardinal Hume Catholic School!

This programme was written in response to Every Lesson Outstanding delegate feedback, requesting a staff development programme which specifically addresses how to tackle students who are more difficult to engage.

No matter where we are in our career, there will be classes and individuals who pose a challenge...this programme aims to provide a toolkit of approaches to be tried and tested!

Delegates will have the opportunity to reflect on current practice and identify strengths and areas for development for key individuals or classes. Refreshments and resources will be provided.	Wednesday 19th June, 3.45pm – 5.00pm
